School Pageant Portrays California History From Dons' Era to UN Meeting

The Centennial Pageant "People to the Land of Gold" to be mounted by the Albany Schools on April 27 and 28 will depict the glories of California from the romantic days of the missions and fiestas down to the momentous event of United Nations Conference in San Francisco.

Each of the Albany Schools has taken a period in California history and will dramatize the event in song, pageantry and pageant.

Children of Marin School will portray the era of the Dons whose hospitality was only equalled by the thrilling rodeos and gay fiestas. Over 120 students will participate in this period in pantomime, and the high school choir will provide background music of the period.

Due to limited seating capacity of the High School Auditorium, admission to this performance will be by ticket only. Tickets will be secured through the Albany Schools upon request by parish family limited to two.

Marin students to be featured in the pageant are as follows: Dancers: Betsy Ross, Sherry Ross, Mary Wood, Judy Schneider, Gayle Anderson, Patricia Gehb, Derick Collins, Derick Coffee, and Coleman, Laurie McGuire, and Shepard, Bob McNulty, and Morton and Gale Heath.

Pageant Dancers: Mary Alice Morgan, Marilyn Shelen, Patricia Morgan, Lynn Pawson, Mary Morgan, Joanna Watson, Victoria Morgan, Julie Brimmering, Janice Morgan, Louise Holstein, Virginia Morgan, Patricia Moorehead, Nancy Morgan, Patty Gann, Juanita Pelebarbara McGowan, Bill Bomgren, Glen Heath, Alan Aschew, and Store, Rogers Burns, Davidson, Marvin Geislinger, Owens, Jim Young, Paul Frank Schackner, Michael Glen Hansen, Bill Dublin, Richardson, Bobby Straka, and Robertson (soldier), and Johnson (soldier).

Albany Soroptimist News

By BEA RAYMOND

The regular meeting of the Soroptimist Club of Albany was held on Wednesday, April 13, with daughters and daughters-in-law of club members as our special guests.

In our "Mother vs. Daughter Meeting," the following adult guests were presented: Mrs. Warren H. Higgins, Mrs. Grayce Garfinkle, Lorraine Etingoff, Yvonne Walkup, Betty Green, and Jane McLean Mathis.

The program presented by the junior daughters and grand-daughters included the following: Alice Bea Johnson, Beverly E. Hill, Rosemary Villa, Peggy Nelson, Kathleen McGaw and Marilyn H. Granholt.

Although little Kathleen O'Keefe was too young to contribute to the program, she certainly added a great deal to the enjoyment of everyone present. She is so beautiful that it was a joy to look at her. We might add that she is extremely well behaved and almost like her mother.

Everyone was remarkably impressed by the talent shown. I think we all had in mind that we have some splendid timber for new Soroptimists in a few years.

Marin P.T.A. to Elect Officers April 19

"Comics, Radio, Movies, What Can We Do About Them?" will be the subject of Mrs. W. H. Cox, fifth vice-president and director of Education for the 16th District P. T. A., in a meeting of the Marin P.T.A. on April 19. Meeting will start at 2 p. m. with Mrs. George F. Klamann, president presiding.

Other program highlights will be a music program presented by the Kindergarten Band of Marin school.

Election of officers to serve for the new term will follow the program.

Refreshments will be served with the Kindergarten mothers as hostesses for the day.

Plans Completed For 13th Annual Easter Egg Hunt

Scores of Easter Bunnies will descend upon Memorial Park early Saturday morning to hide over 3000 colored eggs for Albany's 13th Annual City-Wide Easter Egg Hunt, sponsored by Albany business and fraternal groups.

With approximately \$350 in prizes to be awarded for the various events, the first of the three hunts will begin at 10:15 a. m., according to Emmett Devine, superintendent of recreation.

A hunt for children four years of age and under, and another for children five to six years, will be held in the northeast end of Memorial Park Athletic Field. Boys and girls seven to 12 years of age will gather eggs in the northwest part of the field immediately following the small children's hunt.

Co-sponsors of the Easter hunt along with the local merchants are the American Legion Auxiliary, Albany Eagles, Junior Chamber of Commerce, Macabees, Police and Fire Departments, Soroptimist Club, Exchanges, American Legion, Rotary Club, Exchange Club, Lions Club, and V. F. W. Auxiliary.

Hundreds of early morning worshippers will witness the sunrise high above the city on Albany Hill at the Annual Easter sunrise service at 6:15 a. m. Sunday, under the joint sponsorship of the ministers of Albany and El Cerrito.

Excerpts From The Avenues

By GENE EPPLER

Albany Humane Officer Melvin Meyer has his own opinion about a horse being man's best friend, after a lone roundup saga last Sunday evening which cost him his car and a few kicks. . . . Meyer was called to the 500 block on Adams St. to capture a horse that had broken from pasture on Albany Hill. . . . In a hurry to catch the runaway nag, he left the keys in his auto with no thought of thieves. . . . Twenty blocks away and four hours later, he finally sent the loop over the head of the culprit. . . . Dead tired, but happy over his victory, Meyer led the runaway back to the spot where he had left his car—and found it gone.

Meyer's car was found Wednesday abandoned and burned in Yuba County. Authorities notified Albany police that the auto had been run over an embankment and burned.

The young daughter of Joe Yovino-Young, former city attorney, was on the verge of tears in the Albany Theatre Sunday afternoon. . . . Upon questioning by Manager Bill Garren, the young lady replied in a tragic whisper, "I can't find my cousin." . . . Garren asked Joan how her missing cousin was dressed. . . . Restraining from her sobs, she said, "He had on his best clothes." . . . The lad was immediately located by the usherettes.

Albany Eagles were assured this week chicken will be on the menu at their mass initiation dinner slated for April 18. . . . Presy Tony Kalberer announced that Brother Jake Bortorff had turned chicken-hearted and donated 125 of the birds from his poultry shop. . . . Art Gibbins, Wally Reid, Theo Kurtz and Otto Winters are making all necessary arrangements for the big feed.

Work was started this week on the long awaited remodeling of Albany Police Station. The City Council agreed last week to accept bids for the work on a day labor basis—not to exceed \$2000. Police Chief Stanley Williams said the work will include a new squad room, juvenile and traffic room, new inspector's office, and an identification room.

You will always find a customer if the price is right. In conjunction with the National Cancer Drive now in progress, a coin box with a poster reading "Give What You Can" was placed in the lobby of the Albany Theatre. Albany children knowing their contributions would go for a worthy cause—also attracted by the tiny red lapel pins given to those who deposited coins—quickly proceeded to buy them up at a penny-a-piece.

No Need to Take Chances Paying Hospital Bills

New Low Cost Policy Gives Ideal Protection for Families

Few Pennies a Day Return Dollars When Accident or Illness Strikes

Here's a great opportunity for thousands of families and individuals who have wanted good hospital insurance but have hesitated to get it because they thought it cost too much.

One of the leading companies in the field, Federal Life & Casualty Company, has introduced a low-cost hospital policy that puts this most desirable protection within the reach of every family and wage-earner. It is practical for the man who must watch his pennies but still wants to be prepared for emergencies. Now no one can afford not to have hospital insurance.

IDEAL PROTECTION FOR NEWLYWEDS

This new Federal policy fits the needs of families of all sizes. For instance, it is ideal for newly-married couples who want the security of hospital insurance and at the same time must make their dollars count—get full protection at low cost.

How the Plan Works

You choose just what you want. Your policy will be made to meet your needs and your pocketbook. You don't get a lot of frills and fancy provisions that are seldom needed. You get maximum protection at low cost. For example, you can have from \$3 to \$10 a day for hospital room and board. Your policy will pay the amount you select for as long as 60 days. Very few confinements last that long.

PAYS DOCTOR BILLS AND HOSPITAL EXTRAS

In addition, your policy will pay for doctor's calls at the hospital in non-surgical cases. It will pay up to \$200 for surgeon's fees, up to \$50 for operating room anesthetics, X-rays, laboratory fees, ambulance service, drugs and dressings. And there's no limit to the number of times it will pay these benefits in any one year.

NURSE AND MATERNITY BENEFITS

In case one of your family is confined at home by disability, your policy will pay you your selected daily rate for graduate nurse service at home.

It will also include a 10-day indemnity for maternal cases under the family plan after your policy has been in force 10 months. And it will provide benefits for appendicitis, tonsillitis, hernia, and adenoiditis.

EASY WAY TO MEET EMERGENCIES

This new indemnity policy doesn't overlook any necessary items. Yet its cost is extremely low . . . so low that now you don't have to worry about an accident wiping out your savings account or upsetting your family expenses for months and months to come.

Remember that one out of 10 people are confined to a hospital every year. Should you or one of your loved ones be disabled, it's bad enough to be anxious about speedy recovery. Why add worries over how you are going to pay the doctor and the hospital?

Get This Protection Now

No medical examination is required. You can put this unusual policy into effect right away. So don't delay in getting full details and finding out how much this policy provides for so little.

Just sign and mail the coupon below. Don't assume that you will avoid accident or serious illness another day, week or month.

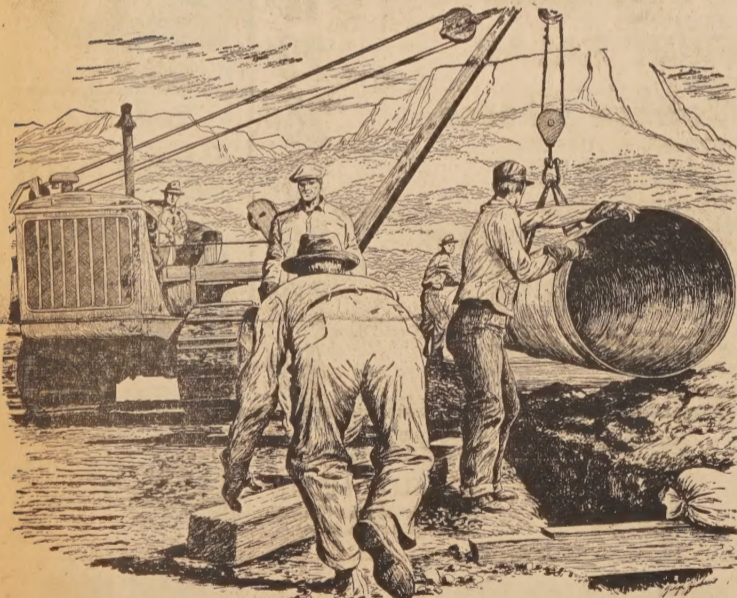

Be lucky . . . lucky to have this protection when needed. Mail the coupon today.

World's Biggest Pipeline will bring more natural gas to California

This Giant Gasway will bring a tremendous new supply of natural gas to California all the way from Texas and New Mexico. P. G. and E's section of the 1600 mile project will be 506 miles long, 34 inches in diameter—the biggest high pressure gas

line undertaken anywhere. Work starts this Spring. For months to come, men and machines will be trenching and laying pipe through desert and prairie, across mountains and rivers. First deliveries of 150,000,000 cubic feet a day are due Jan. 1, 1951.

Power trenchers will sink sharp metal teeth into the earth along a route from Texas and New Mexico to Needles on the California-Arizona border... then on to the Bay Area for distribution.

More fuel for California homes and factories—the new line ultimately can deliver more than 400,000,000 cubic feet of gas a day. That's nearly equal to the present average customer demand.

FOR THE RECORD

Nearly 200,000 tons of steel will be used in the California section of the line.

The gas will be fed into P. G. and E's distribution network of nearly 11,000 miles of gas lines.

Auxiliary Officers Installed Monday

Three new officers were installed Monday evening at a meeting of the Albany Unit No. 292, American Legion Auxiliary, at the Veterans Memorial Building, under direction of Mrs. Josephine Foley, installing officer.

Officers installed were Mrs. Laura Roderick, second vice-president; Mrs. Hazel McDuffee, secretary, and Mrs. Ruth Sloan, Executive Committee member.

In other business, Mrs. Jean Wollaston, membership chairman, announced that the Auxiliary had reached its membership quota within a given date, and they had been awarded a citation by the State headquarters.

Even if there is a hospital in town, why not drive carefully?

Like a good head? Fine body?
Lots of zip and sparkle? Well, I've got 'em all... right here in this glass! Slow brewed Acme Beer!

ONE OF TODAY'S BIGGEST BARGAINS

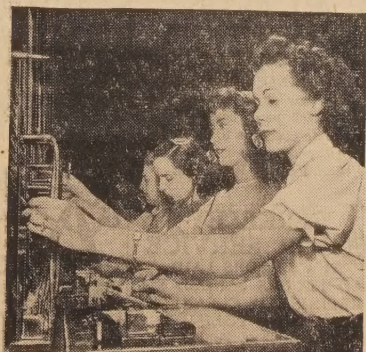

How your telephone gives you more real value today in spite of sharply-increased costs of furnishing service

1. For a quick call to the druggist, for business, for every purpose, your telephone is a more valuable servant today than ever. It can run more errands, do more jobs. In the past ten years, telephones on the Coast have doubled. We're continuing to add them rapidly. Result: You can get in touch with more people. More people can get in touch with you.

2. If you could see how much expensive equipment goes to work for you each time you make a call, you might wonder how it can be done... for just a few dollars a month. Lines, cables, poles, buildings, intricate equipment—all must be ready along with the people who man them... to serve you when you pick up your telephone.

3. More "Voices with a Smile" are serving the West today... our payroll is the biggest ever. Postwar costs have shot up all along the line on the things we do to provide service. The facilities to serve new telephones today cost about twice as much as prewar. Yet telephone rates are up much less than almost anything we buy or you buy.

The Pacific Telephone and Telegraph Company

Your telephone gives you more service today than ever before
